CAPRON HOUSE

WEDDINGS

Capron House is an attractive and familiar landmark in the centre of Midhurst, West Sussex, with three large rooms for hire and a wonderful walled private garden.

The grand front porch leads into an impressive entrance hall with a carved staircase, huge stained-glass window and chandelier above, ideal for photographs. The beautiful garden is large enough for a marquee or just as a delightful additional seating area for guests. There is a private car park within a five-minute walk of Capron House or guests may use the North Street car park opposite the building.

The building has a civil wedding ceremony licence and can host small or larger ceremonies, of up to 90 people in the Cowdray Room and smaller ceremonies in the Pearson Room.
