COWDRAY

FARM SHOP & CAFÉ

Welcome

We use local suppliers where possible such as Nutbourne Nurseries for our tomatoes (seasonal) and Southdowns Water for our still and sparkling bottled water.

Our Cowdray Ale is produced exclusively for us by Langham's. They use leaf hops (not pellets) and cask condition their ales and are based on the Cowdray Estate itself.

Our coffee is roasted especially for Cowdray by Edgcumbes, an established local Sussex roaster. They are members of the Rainforest Alliance and Speciality Coffee Association, so all their beans are responsibly sourced from sustainable farms all over the world.

Our tea comes from Gadsden's, a traditional family tea merchants based in Hampshire.

We use only organic milk in the café, sourced from a local, family-run dairy.

Our ice cream comes from Simply Ice Cream which is handmade in Kent using only simple, natural and fresh ingredients.

A holistic estate which cares about the land
